

CALL FOR APPLICATIONS: THIRD SESSION 2026/2027 PROFESSIONAL MASTER'S IN BUILDING ENERGY EFFICIENCY: MEEB

The Institute of Architecture and Urban Planing at the University of Blida 1 announces the opening of applications for the 3rd session of the Professional Master's in 'Building Energy Efficiency' for the 2026-2027 academic year. This program, limited to 20 seats, is duly accredited by the Ministry of Higher Education and Scientific Research (Decree No. 1123 of 20/08/2022)

LEARNING OBJECTIVES

The primary ambition of this program is to facilitate the professional integration of young graduates into careers focused on energy performance and energy management. The teaching methodology is based on a practical approach, emphasizing hands-on learning and the development of essential soft skills for the corporate world

ELIGIBILITY CRITERIA

Candidates must hold a bachelor's degree (3 years), a master's degree (5 years), or an Engineering degree (5-year program).
Eligible Fields: Architecture, HVAC (Heating, Ventilation, and Air Conditioning), and Civil Engineering.

TRAINING SCHEDULE

The program will be conducted over four semesters (two years): 2026-2027 (Semesters 1 and 2) and 2027-2028 (Semesters 3 and 4). It features a hybrid learning model, including internships and training sessions delivered by national and international experts.

REQUIRED DOCUMENTS

1. Motivation Letter (or Cover Letter).
2. Copies of diplomas in one of the fields/specializations: Bachelor's degree, master's degree, or Engineering degree.
3. Curriculum Vitae (CV).
4. Portfolio showcasing projects, achievements, the candidate's career path, and skills relevant to the program's context.
5. Academic transcripts for the last two years of study.

Submission Instructions: The application must be submitted via email as a single PDF file, named with the candidate's full name (e.g.,
